TINTIN IN THE CONGO!

What vision of Africa could Hergé have had in his mind from the age where he was old enough to read and admire images?

Beyond the vast territory of the Congo, Africa is for the novelists and artist a land of adventure and mystery. Almost ninety years later, *le Petit Vingt-et-unième* unveils a new way to discover this album sometimes criticised but still appreciated by young readers, an opus reconstituted from the original plates at the hand of Hergé, restored and colourised for the occasion.

2019- ALL ABOUT MOBILITY

New means of urban transport! Inventiveness knows no bounds. After the Segway, the hoverboard, the mini scooter, the yikebike, the airwheel, the rocketskates, why not try the sneakers on rollerblades, following the trend, Calculus!

50 years already

2019 marks the anniversary of this historic moment when man walked for the first time on the Moon in the sea of tranquillity. The editorial will return on this fantastic adventure of the space conquest with an unprecedented interview with the first man on the moon, TINTIN, the most famous reporter...

RASCAR CAPAC WHO ARE YOU?

Researchers have followed in the footsteps of this dried up mummy whose black and lifeless eyes have frightened more than one reader. Who was he? Where is he from? For the first time, researchers hope to discover the riddle of Rascar Capac! On your screens soon...
